

## **Our Next Chapter**

Roger Latham birthed the concept of *God's Dreaming* many years ago and the resulting paintings that began in 2013 were completed in 2016. At that time, God's Dreaming Inc (incorporated in Victoria) was born, trading as *God's Dreaming*. Much was achieved administratively and in getting the word out about the project. By 2019, God's Dreaming Inc had state representatives in Northern Territory (Roger himself), Perth (Carol Aitken) and South Australia (Ros Cameron).

At the beginning of 2020, we came together to consolidate our vision and purpose, deciding that the paintings belonged in the Northern Territory. We thought perhaps that was where a purpose-built gallery might be established. It has since become clearer that the entire project needed to 'come home'. Although the three art coordinators lived in Victoria and painters came from all over Australia, the availability of Roger after a huge building project coupled with more positive responses from the central and western regions of Australia steered us in that direction. At the same time, CEO, Sony Ward, was being called to other *God-art* oriented projects and several board members were due to retire.

Because not-for-profit organisations incorporated in one state cannot be simply shifted to another state, the board elected to establish a new entity. Therefore, God's Dreaming Northern Territory Inc was established in April 2021 with a mainly indigenous Board which will henceforth trade as *God's Dreaming*. God's Dreaming Inc (Vic), after all assets are transferred, will close.

The vision, purpose, ethos and logo of both entities is identical. You can still order online. We hope to manage this transition as seamlessly as possible and pray God will continue to bless everything associated with *God's Dreaming* as He already has done in so many ways and for which we continue to be grateful. We are delighted to help you share Jesus' love with people using our resources if that is what God is leading you to.
